

Flood Wardens: how you can support your community before, during and after a flood

Thursday 13th June 2024

5:30pm – 8pm

County Hall, Matlock, DE4 3AG

This training event is aimed at anyone wanting to find out more about how the Flood Warden role can help their community, and those who are newly registered as community Flood Wardens.

Topics will include an introduction to the role, organisational remits, community flood plans and water safety.

Please book your place by emailing
floodresilience.eastmidlands@environment-agency.gov.uk

Please note, a further training session will be held in September 2024 for current Flood Wardens.
