Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

We aim to achieve the four licensing objectives through (1) staff training which will be carried out every six months. (2) Correct signage within the premises. (3) Cognisance of any impact the premises may have on the community and environment with planning to reduce any risk of harm or nuisance. (4) Health & Safety of the public whilst on our premises and in particular the protection of any children from harm. (5) Reducing the premises closing time to 11pm.

**b) The prevention of crime and disorder**

(2) CCTV will be present in all public areas and will be monitored with recordings kept for 28 days and made available to Police on request. (3) All incidents that take place on the premises or immediately outside the premises will be recorded and made available for the Police on request. (4) A Refusals Log will be maintained at all times and made available on request of the Police or an authorised officer of the local authority. (5) Numbers of customers entering the premises will be limited due to the size and seating available, staff will

monitor numbers at all times throughout opening hours. (6) The premises will close at 11pm each evening to reduce the risk of any crime & disorder.

Staff are trained, due diligence and family run atmosphere will be strictly adhered to. No cash will be kept on the premises.

(5) Sufficient lighting and handrails will be provided on the stairway to the cellar for safety of the public with signage for customers to take care. (6) Fire alarms / smoke detectors are fitted on both licensed floors of the property.

#### **d) The prevention of public nuisance**

(6) When live music is played on the premises staff will periodically monitor the sound in the street to reduce the risk of noise pollution to any neighbouring premises. (7) The number of persons permitted on the premises will be limited by staff due to the size and seating available which will reduce the risk of anti-social behaviour. (8) Signs will be displayed at the exit door for all patrons to leave quietly and respect neighbours of the premises. (9) When customers are stood outside the premises whilst smoking staff will monitor these customers and remind them when necessary to respect neighbours.

  13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
  14. This is the address which we shall use to correspond with you about this application.
  15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
    - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
      - does not have the right to live and work in the UK; or
      - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service.**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
